

Nestor Martin Harmony III Wood & Multifuel Stove

<https://www.calonyradref.co.uk/nestor-martin-harmony-iii-traditional-wood-multifuel-stove>

The Harmony III represents practical and functional stoves.

An air-wash control and thermostatic damper allows you to control the stoves performance whether you are burning wood or smokeless coal.

The direct draught slide lets the flue be heated directly to establish the fire as quickly and cleanly as possible.

A side loading door allows for longer logs to be burned and less ash deposits on the hearth when refuelling.
