

# Parkray Aspect 14B Wood Fired Boiler Stove

<https://www.calonyradref.co.uk/parkray-aspect-14b-eco-wood-burning-boiler-stove>

This contemporary boiler stove is both practical and extremely desirable, adding ambience to the room alongside its powerful Tripleburn® technology which simultaneously heats the room and the water for your home.

The Aspect 14 Boiler Stove heats the hot water for your home quickly and efficiently whilst providing a magnificent centrepiece for your room with its impressive glass viewing window.

One of its key features is the extremely low levels of CO emissions which it emits whilst providing a generous heat output to the room.
