

ACR Solis Contemporary Multifuel Cylinder Stove

<https://www.calonyradref.co.uk/acr-solis-contemporary-multifuel-cylinder-stove>

The Solis brings a sense of contemporary style into your home.

Available in matt black paint finish with a stunning brushed steel door handle travelling the full length of the door and along the top and the bottom of the door for a striking finish, with the option of either the standard steel top, or a stunning black glass top. The Solis has a 5Kw nominal output and is designed to burn wood and smokeless fuels.

Being DEFRA exempt, the Solis can burn wood even in a smoke controlled zone. Equipped with a small storage cupboard under the firebox providing a handy place to keep everything tidily out of sight and also houses the air controls to operate the stove. Please note the glass top is an optional extra and needs to be added to your order.
